

# Reverse Osmosis

5-Stage Purified Drinking Water System

## Save Money

Our units are affordably priced & are designed for long term use.

## Save the Environment

Cut down on waste by removing the need to buy bottled water. Your body will thank you and so will the planet.

## Save Energy

Puromax units use zero electricity instead they work off your existing water pressure.

## Save Water

Puromax units use up to 40% less water than the industry average.
